LCD	High resolution display with 4 gradations	●	●
	Display Expression Same as Textbook	●	●
Special Features	Spreadsheet		●
	Equation Solver		●
	Quick access to support page from "Get started"	●	●
	Online visualization service via "QR Code"	●	●
Utilities	Base-n Calculations		●
	47 Scientific Constants		●
	40 Metric Conversions		●
	9 Variable Memories	●	●
Functions	Trigonometric and Inverse Trigonometric Functions	●	●
	Exponential / Logarithmic	●	●
	Fraction Calculations	●	●
	Function f(x) g(x)	●	●
Algebra	Calculation with $\sqrt{\quad}$ / π symbol including simplifying radicals	●	●
	Equation Calculations		●
	Inequalities		●
	Table Function	●	●
	Matrix / Vector Calculations		●
	Complex Number Calculations		●
	Prime Factorization	●	●
Probability	Permutation and Combination	●	●
	Math Box (Dice/Coin)	●	●
Statistics	Statistical Calculations	●	●
	Distribution		●
